via email prior to event**

TRACS WA, WA Country Health Service and Rural Health West invite you to join us for this WA Stroke Care virtual symposium.

Speakers include:

- **Sandra Lever**, Coordinator of the Sexuality Clinic at the Royal Rehabilitation Centre in Sydney, to discuss sexuality and intimacy post stroke.
- **Dr Alicia Massarotto**, Consultant Geriatrician from Fremantle Hospital to discuss assessment and management of mood disorders following stroke.
- **Associate Professor Erin Godecke**, Senior Research Fellow, Edith Cowan University and Senior Speech Pathologist, Sir Charles Gairdner Hospital, to discuss Aphasia and Dysphagia assessment and management after stroke.
- **TBC Darrell Baker**, Neuro-optometrist from Eyes on Oxford, to discuss vision-perceptual assessment and management following stroke.
- Other topics include:
 - Lessons learnt from Telerehab and running virtual groups with stroke patients.
 - Lived Experience of Stroke
 - Upper limb assessment and management resources

TRACS WA may film/record/photograph this event for educational and promotional purposes. Please advise TRACS WA if you do not wish for your image and voice to be used in this way.
